Employee Benefits Guide 2026

Human Resources

1. Health

All employees are covered by private occupational health care from day one, including dental check-ups once a year.

Eyeglasses for screen work are reimbursed up to EUR 250 every two years.

2. Wellbeing

The annual wellbeing allowance is EUR 400, usable for sports, culture and massage.

Employees may take one paid volunteering day per year.

3. Pension and insurance

The company contributes 4% of base salary to the voluntary pension plan when the employee contributes at least 2%.

Travel insurance covers all business trips and the employee's spouse when travelling together.

4. Bike and commuting

The bike benefit allows leasing a bike of up to EUR 3,000 through salary deduction.

Public transport tickets are subsidised by 50% up to EUR 60 per month.
