Employee Handbook 2026

People Operations

1. About This Handbook

This handbook describes the employment policies of Halvorsen Industrial Systems. It applies to all permanent and fixed-term staff in every country where the company operates, unless local law requires otherwise.

This edition of the handbook takes effect on 1 March 2026 and supersedes the 2023 edition. The handbook is owned by the People Operations department.

The handbook is formally reviewed every 18 months. Questions about policy interpretation must be raised with the employee's HR Business Partner within 10 working days of the event in question.

2. Working Hours and Remote Work

Our standard working week is 37.5 hours. Flexible working is encouraged where operational needs allow, but some collaboration time is protected for every team.

Core collaboration hours are 10:00 to 15:00 local time, during which employees are expected to be available. Office-based roles may work remotely for a maximum of 3 days per week.

New remote-eligible employees receive a one-time home office stipend of EUR 450. Company laptops are refreshed every 36 months.

Overtime must be pre-approved by a line manager and is compensated at 150% of the base hourly rate.

3. Leave Entitlements

All leave requests are submitted through the HR portal. Managers should respond to requests within five working days.

Full-time employees receive 25 days of paid annual leave per calendar year in addition to public holidays. A maximum of 5 unused annual leave days may be carried over into the following year.

The primary caregiver is entitled to 20 weeks of fully paid parental leave. Employees may self-certify sickness absence for up to 3 consecutive days before a medical certificate is required.

Bereavement leave of 5 paid days is granted on the death of an immediate family member.

4. Travel and Expenses

Business travel must be booked through the corporate travel portal. Employees should choose the most economical option that meets the business need.

The meal per diem for domestic business travel is EUR 64 per day. The meal per diem for international business travel is EUR 95 per day.

Economy class must be booked for all flights shorter than 6 hours. Hotel accommodation is capped at EUR 210 per night outside capital cities.

Expense claims must be submitted within 30 days of the expense being incurred. Use of a private car for business is reimbursed at EUR 0.42 per kilometre.

5. Information Security

Every employee is responsible for protecting company and customer information. The Information Security Office publishes detailed standards on the intranet.

Passwords for company accounts must be at least 14 characters long. Multi-factor authentication is mandatory for all remote access to company systems.

Suspected security incidents must be reported to the Security Operations Centre within 2 hours of discovery. Workstations must lock automatically after 5 minutes of inactivity.

All employees must complete phishing awareness training every quarter.

6. Records and Data Retention

Records must be retained for the periods below and then securely destroyed, unless a legal hold applies.

Financial and accounting records are retained for 7 years. Personnel files are retained for 6 years after the end of employment.

CCTV footage is retained for 30 days unless required for an investigation. Customer support tickets are retained for 3 years after closure.

System backups are retained for 90 days.

7. Code of Conduct

We expect every employee to act with integrity and to avoid situations where personal interests could conflict with those of the company.

Employees may not accept gifts or hospitality with a value above EUR 75 from suppliers or customers. Potential conflicts of interest must be disclosed to the Compliance Office within 14 days of becoming aware of them.

The confidential whistleblowing hotline is operated by an independent provider and is available 24 hours a day. Breaches of the code of conduct are investigated by the Ethics Committee.

8. Health and Safety

Safety is our first priority. All staff must follow site-specific safety rules in addition to the general rules below.

Each site must have at least one trained first aider for every 25 employees present. Fire evacuation drills are held twice a year at every site.

Workplace injuries must be recorded on form HS-7 within 24 hours. Safety footwear is reimbursed up to EUR 120 per year for production staff.
